Dear Sarah,

Re: Chinese 2008

Live Art Development Agency (LADA) is delighted to offer support of your application and nominate your organisation for a Poet Award.

Chinese 2008 was a fantastic event, which we feel helped to raise awareness of the diverse, exciting and challenging work currently being made by artists living in China.

LADA were honoured to collaborate alongside Chinese Arts Centre during your 2005 event and we look forward to working with you during 2008/9 to make the new 'ital - International Chinese Live Art Festival a continuing success.

Kind regards,

Lois Keidan
