International Development Agency for Contemporary Chinese Artists
Visual Arts - Performance - Residencies - Consultancy - Advocacy - Agency

Established in 1989, Chinese Arts Centre is the national charity for the development and promotion of Chinese arts and culture. Located in Manchester, Chinese Arts Centre aims to develop an infrastructure to allow Chinese arts to flourish.

Set in an RIBA award winning Grade II listed building, Chinese Arts Centre supports and promotes contemporary Chinese artists through its work in many areas.

From its exciting and varied exhibition programme to commissioning artists to design limited edition merchandise; from the unique live/work/brochure artist residency scheme to working as consultants on a variety of major arts and commercial projects, Chinese Arts Centre is committed to celebrating and supporting Chinese creativity.

Alongside the main gallery and artist studio, the purpose built Centre situated in Manchester city centre features a tea house, shop and resource area and corporate hire facility.
