Scope and Content

Audio CD and accompanying book of Tsai-wei Chen's artwork 'Nostalgia' featuring recordings to reflect the artist's pain of home-sickness, using ambient sound recorded in her birth place in Taiwan and her adopted home in London.

During the exhibition at the Centre, 'The Sound of Self-Exile', the tracks from the CD were played on five separate portable CD players, each present to visitors on an individual plinths. While visitors listened to the tracks through headphones, they viewed blurred photographs of the artist's homeland, which were taken from the photobook. ()
