Creator(s)

Access status: On site

Publication Statement

Beijing, China : YUAN space , 2013

Scope and Content

This catalogue is published in conjunction with the group exhibition: *Evolution: A Question*, curated by Karen Smith, at the YUAN space, Beijing China, on 2013 Sep 28 - 2013 Nov 16.

The exhibition looked at the complex dialogue of arts and its spaces, especially how the viewers' experience had evolved over the previous decades. In three separate spaces in the gallery, the artists explored the possibilities of the subject in very unique ways, but offering as a whole, a highly diversified exhibition experience. The exhibition allowed the artist to regain control over the possibilities of exhibiting their art. (115 pages)

Conditions on Access

This publication is available in the esea ResearchLab for non-commercial private research use.
