Scope and Content

Booklet produced to accompany the touring group exhibition *Reassurance* curated by Yeu-Lai Mo, which was shown at SPACE, London, and the Chinese Art Centre, Manchester.

The exhibition sought to address the curator's own experiences as an artist proposing an alternative and more critical and culturally engaged approach to curating exhibitions focusing on artists of Chinese descent. The exhibition was a platform from which multiple notions of identity can be interrogated. The exhibition was organised with support from the BBC London Roots Initiative.
