Scope and Content

Exhibition catalogue for the group show: *Navigating the Dot* which was presented in the Hong Kong pavilion at the 50th La Biennale di Venezia at the Arsenale, Ramo della Tana, Venice, Italy. The show was facilitated by Para/Site, a Hong Kong collective, featuring artists, architects, curators, critics, designers, educators and researchers, which was formed especially for the 50th Venice Biennale.

As part of the show, compartments were built into the Hong Kong pavilion within 'borrowed time' and 'borrow space' and sought to interrupt the Biennale's sight and site. The meaning of the compartments was left to the visitors who were encouraged to engage in dialogue and indulge in dreams through the creative acts of seeing, walking, smelling, touching and listening.
